

2020 Annual Report

**Apart yet Gathered Together in Faith & Fellowship** 

The United Church of Canada, General Council 1968, alt.

We are not alone, we live in God's world.

We believe in God: who has created and is creating, who has come in Jesus, the Word made flesh, to reconcile and make new, who works in us and others by the Spirit.

We trust in God.

We are called to be the Church: to celebrate God's presence, to live with respect in Creation, to love and serve others, to seek justice and resist evil, to proclaim Jesus, crucified and risen, our judge and our hope.

In life, in death, in life beyond death, God is with us. We are not alone. Thanks be to God.

**EXPANDED VISION STATEMENT** 

Deer Lake United Church welcomes you into a Christian community

for all ages that explores and expresses spirituality through:

worship and music fun and fellowship caring and outreach involvement and growth

### We understand this statement to mean:

### > Welcome

At Deer Lake United Church all groups and individuals are encouraged to explore how their behaviours, activities and policies contribute to a sense of welcoming for all people who enter our community.

We express our welcome on Sundays by maintaining a clean, safe and visually attractive building, having greeters at the door, providing nametags, assisting with seating, extending invitations and encouragement to attend coffee time and other functions, speaking with people we do not know well, answering inquiries, and by smiling. Deer Lake is a place where all people, from the newest arrival to longtime attender, feel welcomed, valued, and respected.

Throughout the rest of the week, we express our welcome by invitations to our homes and events, by providing food, and by phone calls, prayers, and visits to those who are ill or in need of support.

## > A Christian Community

At Deer Lake United Church, we are grounded on a foundation of Jesus' teachings and the Hebrew Scriptures which informed Him. We seek to deepen our relationship with God, Jesus, the Holy Spirit, and with each other. We are called each day to serve others in all facets of our lives, inspired by a continually evolving understanding of the Word of our loving God.

## > For All Ages

At Deer Lake United Church we explore our desire to be a community for all ages by encouraging our groups and individuals to consider how everyone can be involved, supported and respected in our community, and how resources can best be allocated to meet the needs of all groups within Deer Lake.

We express our multigenerational commitment by respecting and honouring all ages and by encouraging their participation within worship and throughout the week. We value opportunities for all ages to participate together and get to know each other as members of our church family.

## Explore and Express Spirituality

At Deer Lake United Church, we provide opportunities for continuing growth in the Way of Jesus Christ by providing personal and communal opportunities to explore & express our faith.

We explore our Christian faith in an open, questioning, non-judgmental way through worship, Sunday school, youth group, theological study and discussion, retreats, and ongoing groups. We encourage all groups and individuals to explore the meaning of Christian spirituality and, in our life and work, to consider the guidance provided by Jesus. We express our faith when we share our gifts and talents through service in the church and in the world. We express our close sense of community through willingness to discuss and listen to a variety of perspectives in a safe and respectful environment and through our enjoyment of working and playing together.

### We live this out through:

### > Worship and Music

At Deer Lake United Church all groups and individuals explore God's purpose and meaning in our lives and express our gratitude through worship and music.

We express our Christian faith by living in relationship with God, Jesus and the Holy Spirit. Sunday and other special services are involving and thought-provoking. We encourage participation of all ages, recognizing and developing the gifts of the congregational members. A wide variety of music is used in our worship services as people share their musical gifts. Through liturgical arts we encourage the beautification of the sanctuary and the inclusion of artistic gifts in our worship.

### > Fun and Fellowship

At Deer Lake United Church, we explore ways in which our faith community can enjoy fun and fellowship together through worship, work and play.

We express fun and fellowship in everything we do, helping form the connections we enjoy as a small community.

### Caring and Outreach

At Deer Lake United Church all groups and individuals are encouraged to explore ways they can be caring in their activities and policies, and to explore ways of increasing awareness of those in need of care.

We express our desire to be a caring congregation and to reach out to the world at large both as individuals and through our Pastoral Care and Outreach committees, and we keep the congregation informed of these activities. We are respectful and loving as we work locally and globally for peace and justice.

### Involvement and Growth

At Deer Lake United Church all groups and individuals are encouraged to explore, identify, develop and utilize the talents and gifts of our community.

We express our desire for personal growth and congregational viability by remaining open to being led by the Holy Spirit as we act on and share our Christian beliefs through worship services, committees, workshops, study groups, retreats, and social activities. We regularly recognize and appreciate people's gifts and their service within and outside of the church.

### "For where two or three are gathered in my name, there among them am I." Matthew 18:20

- I will be respectful and care for all other church members, avoiding gossip and divisive interactions.
- I will fully support our Clergy and Staff and strive to enable them to do their job without hinderance or second-guessing.
- I promise to treat our time on the Board as an opportunity to offer an important gift to our church

# MINISTER'S REPORT

The report that you hold in your hand (or view on your screen) is yet another chapter in showcasing just how resilient Deer Lake United Church is. I say another because as I reviewed the 2019 Annual Report, a time when Deer Lake members stepped up and led this congregation in the absence of a full-time minister (though, Rev. Brian Burke's phenomenal leadership should not be understated or go without great appreciation), it is not hard to see that this congregation is, indeed, quite resilient. In face of the challenges of the past (not just from 2019), the congregation continually rises to meet them head on. This past year is no different.

I joined the Deer Lake United Church community in May 2020. At that time, they had already begun doing virtual services on YouTube with the Rev. Burke. Thanks to the work of a team of people in collaboration with and coordinated by Garry Forwood DLUC's light continued to shine forth. When most things that had been "church" quickly became limited or not feasible altogether, DLUC continued to move its work online and operated from a distance. People began learning how to use Zoom. Technology was purchased. Technical support phone calls were made inside and outside of the church. Impromptu tutorials and lessons occurred as we all helped each other learn how to stay connected during this unprecedented season. This season of COVID-19.

The reports that follow show just how amazing the Deer Lake United congregation is. From the small groups to the special events to the behind-the-scenes changes including a new website, DLUC has adapted while staying faithful to bringing the love of God to this world. As we look to the future, we can be certain that no matter what challenges lay before us, we will continue to be resilient and follow in the ways of Jesus Christ.

Many Blessings!

Rev. Dr. Joseph Kyser

"It was the best of times, it was the worst of times, it was the age of wisdom, it was the age of foolishness, it was the epoch of belief, it was the epoch of incredulity, it was the season of Light, it was the season of Darkness,..." <u>A Tale</u> <u>of Two Cities</u> by Charles Dickens

This infamous first line in the book <u>A Tale of Two Cities</u> was written by Dickens in 1859, yet it speaks to me of this past year – 2020. We began the year by calling a new minister, Rev. Dr. Joseph Kyser, with excitement, anticipation and expectation, followed by the onslaught of COVID-19 and the closing of our church and cancellation of in-person worship beginning Sunday March 15<sup>th</sup>. Travel and personal contact outside of our "bubbles" (a new catchword in our vocabulary) was restricted, businesses found themselves navigating uncharted waters, employees had to find new ways to work if they were able to keep their jobs. In fact, for the first few weeks, it seemed like everything was changing by the day, if not by the hour, and the unknowns overpowered the knowns. Yet with the shutting down of our world as we knew it – busy, noisy, stressful, demanding – the opportunity for some quiet and reflection offered itself and we were forced to slow down, to reach out in old and new ways (by telephone, letters, email, Facetime, Zoom, etc.). And as Rev. Joseph often says, we had time to breathe – to really breathe.

Being a virtual church for the better part of nine months has been challenging. I for one am so very thankful for the technological leadership that Deer Lake is blessed with, including through Rev. Dr. Joseph. The hours, energy and commitment to meeting our church's virtual worship needs are too many to count – a huge Thank You to all who have worked so tirelessly behind the scenes to keep our Deer Lake United community connected in worship and fellowship. The learning will be invaluable moving forward.

2

This Annual Report reflects the work of our church throughout 2020, through the Committee reports. Every committee was challenged to do their work differently – and I believe that in every case our members rose to those challenges with commitment, compassion, imagination, humour and integrity. Some, like our co-Treasurers (bless their hearts!) seemed to carry more of the load with weekly virtual finance meetings through the United Church of Canada, and ever shifting information, requirements and interpretations of rules and financial resources being offered through the provincial and federal governments. But the challenges presented by COVID-19 have not been limited to the financial side of Deer Lake – to name a few: meetings, worship, outreach, Christmas families, music, fellowship and communication – all have been affected and changed – perhaps forever. We have had to reimagine how we do some things – and I anticipate that in that reimagining we have learnt much that we can carry forward and expand on. When things are back to "normal" – or at least when we can be together again in person, the challenge will be to take what we have learned and continue to move forward in new ways that are life-giving, fulfilling and spiritually exhilarating.

I believe that we have much to be thankful for. Not the least is the enthusiastic, provocative and thought-provoking work of Rev. Dr. Joseph at Deer Lake United. Take a breath, open your heart and mind and allow yourself to be inspired by the Spirit – let's walk together towards the Light that God shines into every dark corner. And let each of us *b*e the light, for ourselves, our church community and the world we find ourselves in.

"Let the word of Christ dwell richly among you, in all wisdom teaching and admonishing one another through psalms, hymns, and spiritual songs, singing to God with gratitude in your hearts." CSB Colossians 3:16

Dana Juba, Board Chairperson

# WORSHIP COMMITTEE REPORT

We entered 2020 very much the way we had hoped for and anticipated, with the warm glow and vivid memories of our Advent and Christmas music and services still resonating in our heads and hearts. The Rev. Brian Burke led us in a well-attended traditional DLUC Shrove Tuesday/Ash Wednesday Service, plans for Palm Sunday, Maundy Thursday, Good Friday and Easter Sunday well underway, when the impact of the exploding COVID-19 pandemic hit with the mid-March realization that we could no longer gather to worship in the sanctuary. Undaunted, barely a month later, Garry's technical computer skills and savvy had Brian from his home successfully leading us in our first online services.

In May we thanked Brian for his brilliant, inspired and inspiring services, having faithfully led and navigated us through an inexorably long pastoral transition, and then welcomed, as our permanent minister, Rev. Dr. Joseph Kyser, who took the helm with his expressed objectives: "hope and optimism—may they be the corner stones of our journey forward". We learned very quickly that in addition to being an experienced, comfortable online leader, Joseph was a very thorough and detailed planner, with lectionary-based and theme sermon series that connected and resonated well in virtual worship. His Fall Programming Guide contained the most extensive and comprehensive number of options to grow in understanding the Bible, the Church and our Faith, the likes of which most of us had never before seen or experienced. The online Zoom offerings were well subscribed.

Throughout the Fall, online services continued to be well-attended both on Sunday mornings and during the following week. The Zoom post-service Fellowship Time quickly became a much-appreciated opportunity to see and visit with each other, and has become even more personal with the additional option of joining three or four-member breakout rooms.

The first venture into presenting a joint Jubilee/Deer Lake service was for Remembrance Sunday, and was an outstanding success technologically, theologically and musically, and is leading to a planned joint Good Friday service.

As we prepared for Advent, invited families attended the Sanctuary at designated times in mid-November to record their readings and light each of the candles. These were seamlessly incorporated into the four Advent Sunday and Christmas Eve services. Pre-Christmas week featured an evening concert presentation of previously recorded DLUC choir anthems and an excellent Sunday School pageant from a few years ago. A few evenings later, Joseph led a contemplative "Blue Christmas" service for those for whom Christmas may not be especially "merry and bright". Christmas Eve was incredibly busy with a family friendly afternoon service, an early evening service of lessons and carols, and a candlelight service. During all of the Advent and Christmas Eve services we were blessed not only with Joanne's beautiful liturgical touches for the Advent candle lightings and the banner draping of Joseph's home for the live-streamed services, but also with Donna's special music choices, along with selections from some invited musical guests, all incorporated to enrich our services. Joseph followed up with a Christmas morning service, after which, he invited Frances Kitson to lead and present her very well received message on the last Sunday of the month.

While we experienced some audio technical problems Christmas Eve and Epiphany Sunday, a sound consultant/technician was hired to resolve the problem. Given the many complexities of presenting live- streamed online services, it is remarkable what Garry and Joseph have been able to do so selflessly. The Deer Lake Worship Committee is fortunate and thankful beyond words!

So here we are, on the cusp of launching Joseph's vision of "Deer Lake 2.0: What it means to be the Church in 2020 and beyond". With Joseph's "hope and optimism" we are "joining the journey".

# AFTER WORSHIP FELLOWSHIP REPORT

There is very little to report compared to previous years because as of March 8th the DLUC building was closed due to COVID-19. Our Fellowship Time had to move to Zoom, which happens every week following the worship service. Anywhere from 15-25 families join us each week.

I think the worst thing about no coffee is that without donations we couldn't give the Outreach Committee anything for their causes this past year. We don't know how long this pandemic will last. Please keep donating to the Outreach Committee so that we can continue supporting the Youth Hub, Dixon House and other charities.

We hope we will be able to go back to our beloved church building soon, sometime in 2021. See you all then.

Respectively submitted,

Shirley McGaire

# PASTORAL CARE REPORT

The Pastoral Care Committee has worked hard in this year of Covid-19 to make sure that timely spiritual care, support and connection has been extended to all our congregants. The weekly "What's Up" has kept everyone well informed as to all the weekly events and services. With the help of all 12 Care Ringers our focus became more one of making sure that everyone felt connected to our church family. To that end there have been countless emails and phone calls made by the pastoral care committee and the care ringers.

The Sunshine Committee (Trish) has sent on behalf of the congregation 12 Get Well cards, 3 thank you cards,7 congratulations cards, 8 thinking of you cards, 7 sympathy cards, 4 milestone birthday cards with a few drive by celebrations, 1– 50<sup>th</sup> Anniversary card, 6 Easter Cards, 1 welcome to Deer Lake, and 1 best wishes on your new home. A special mention must be made to Mary Cazalet who personally made and mailed 110 Christmas cards. Kathy Richardson has delivered 21 prayer shawls and coordinated the making of them. If you know of anyone in need of one for any reason please contact Kathy.

The Friendship Garden is still been taken care of by Jean Johnson, a few drop-in congregants and a couple of neighbouring garden elves. At Christmas time the church mice were able to make and deliver 33 tins of cookies. That was an amazing feat in this difficult year.

Our new and beloved minister Rev. Dr. Joseph Kyser has made an unbelievable effort to reach out to all those in need. This has not been an easy task when face to face visitation has been impossible.

We had a budget of \$300.00 with a further increase of \$200.00 to cover the cost of mailing and supplies. We used \$462.00 with \$38.00 remaining.

In Memoriam – Sheila Veller, Don Hastings, Marg Mallory, and Sean Babcook.

Many thanks to all those unmentioned people who have also made an effort to keep in touch with others and made sure that we were made aware of any needs.

The 2020 Pastoral Care Committee:

Shirley McGaire, Mary Cazalet, Kathy Richardson, Trish Seeram and the Rev. Dr. Joseph Kyser.

# OUTREACH COMMITTEE REPORT

Because of the COVID-19 pandemic and the resulting shutdowns, the Outreach Committee during 2020 had to find new ways of doing things. Although some of our outreach efforts were of necessity limited, we were able to find ways of supporting people in need in our community.

In 2020, the Deer Lake Church Outreach Committee members were Marj Rielly, Phyllis Slater, Janet Ahmelich, Paul Anderson, Claire Stegen, and Bruce Van Luven. We also welcomed Rev. Joseph and are grateful for his ongoing support and insights. The committee chair was Linda Walsh.

### **Fund-Raising**

In previous years, we had used after-church coffee donations and other fundraising activities, such as "Lunch on the Run," to help support important community organizations such as Burnaby Youth Hub, the Dixon Transition Society, and First United. Unfortunately, since these types of fund-raising options were not possible throughout most of 2020, our 2020 contributions to these organizations were less than in the past.

### Society to End Homelessness in Burnaby

For many years we had been providing 70 bag lunches each month to the Society to End Homelessness in Burnaby, for distribution to homeless people in Burnaby. This continued until the lockdown in March. From then on, we made direct contributions to the Society so that they would be able to purchase the food directly.

## **Hope for Families**

Hope for Families is a Deer Lake Church community outreach fund designed to assist needy Burnaby families:

## **Christmas Families Project**

Sponsoring Burnaby families at Christmas is a tradition here at Deer Lake Church. In 2020, we worked again with Edmonds Community School and the Dixon Transition Society, two organizations which assist at-risk families in Burnaby. In 2020 we sponsored three families through Dixon and three families through Edmonds School – a total of 15 children and 8 adults. This year we were able to sponsor more families than usual, mainly because of the generous donations from the Deer Lake congregation, but also because we received a \$530 contribution from Jubilee United Church.

We used video announcements to keep the Deer Lake community informed, and the families were given their gifts early in December. Special thanks to Wendy Kyer, Janet Ahmelich, Wendy Kyer, Kathy Richardson, Phyllis Slater, and Claire Stegen for all their help.

## Summer Camps

In past years we had sponsored several children from Edmonds School to attend summer camps. However, in 2020, Edmonds School was unable to offer summer camps, so we sent \$1000 instead to Second Street Community School, which was running summer day camps for children of lower-income families.

## Harvest for the Homeless

We held our traditional "Harvest for the Homeless" in the fall of 2020, although it necessarily took a very different form. As in past years, people were asked to collect items to help the homeless of Burnaby through the cold winter months – socks, mittens, underwear, etc. – and drop them off at the church at a specific time. Even though the amount collected was perhaps less than in previous years, we assembled several boxes full of items. There were also some monetary contributions.

## Gogos

The Gogos is an organization that supports African grandmothers as they raise their grandchildren who have been orphaned by the AIDS epidemic in Africa. Although in the past Deer Lake has supported the Burnaby chapter by providing space for their fundraising events, this was not possible in 2020. (The Burnaby Gogos instead conducted a Christmas sale online, raising approximately \$4000.)

Respectfully submitted

by Linda Walsh on behalf of the Outreach Committee.

# CHRISTIAN EDUCATION COMMITTEE REPORT

2020. In the words of Monty Python, "And now for something completely different." Apart from the first two months of the year, the work of the Christian Education Committee has been to find a way to operate in such a different reality. In the spring we tried to stay in touch with our children and their families by email, sending materials from the Whole People of God curriculum that they could do at home. Elizabeth Cottam continued to send birthday cards to them throughout the year. Although we couldn't have a Sunday School wind-up at a church picnic in June, we still recognized milestones in the lives of those who had been a part of our community by delivering one Bible to a student who had finished grade seven, and two prayer shawls to young people who had graduated from grade twelve.

Once Joseph began as our minister, we met with him on Zoom to think about ways he could connect with the children. During a Sunday service, he asked them to email him with any questions that they had for him, so that he could answer them at a later service. Together we organized a July 26<sup>th</sup> gathering in the parking lot for families to meet Joseph. He also made a short children's video for the fall kick-off, and another three children's videos for Advent.

On November 28<sup>th</sup> we had an Advent kick-off event on Zoom to make Advent wreaths. We ordered and delivered at-home student activity kits from Pacific Mountain Regional Council for the families of all the Sunday School regulars, and we also provided wreath-making materials for any other congregation members who requested them. After we finished making our wreaths, Rebecca Treherne led a short Christmas singalong. This was a very successful event.

There was even a Sunday School pageant, in a way, as the online Choir Christmas Concert included a video of the pageant from 2017. It was well worth seeing again, and interesting to see how much the children had changed in three years.

The adults, too, had many educational opportunities. Both the Men's and Women's May Retreats happened – on Zoom – and still provided the fellowship, thoughtful discussions, and fun we always look forward to. As a bonus, some people who are not normally able to get away for a weekend were happy to be able to take part this year. The men considered the effects of disruption on individuals and society, and also two stories from Legends of Vancouver, by Pauline Johnson. The women shared thoughts on living positively in a time of change and uncertainty.

Joseph brought us an ambitious program of adult groups in the fall, including the Minister's Study about the sermons, a Book Study of Marcus Borg's <u>The Heart of</u> <u>Christianity</u>, Bible 101, Church 101, Exploring Spiritual Practices, and the Let's Talk series on various hot topics.

Our committee has appreciated Joseph's ideas and commitment to Christian growth and education as we have worked together this year.

Respectfully submitted,

The Christian Education Committee (Gloria Forwood, Sharon Hamer, Jean Johnson, Rev. Dr. Joseph Kyser, and Elizabeth Waddington)

# MINISTRY AND PERSONNEL COMMITTEE REPORT

The Ministry and Personnel Committee is a committee of our Board and all members of M&P are approved by our Board. The committee members, generally, have experience and background in this type of work. The role of our church's M&P Committee is to work with and support the staff at DLUC. Probably its most important function is to promote healthy working relationships and good communication to nurture an effective church team. We consult with our church employees, as well as our wedding and funeral hostesses – to provide direction, review performance and work through any issues that may come up. As a group, our committee meets monthly, with the exception of July and August.

We started the year as a committee of two, Larry and I, as David took a leave of absence at the end of last year. In September, the Board approved adding another committee member, Bruce V. We are so fortunate to have Bruce join us with all his experience in Human Resources with a large organization. Our staff all have personal lives and work lives and sometimes they conflict with each other. M&P takes great care in listening to staff and supporting them when there are issues to be dealt with and areas of conflict that need resolution. M&P also has the responsibility of monitoring the vacations, study leaves, professional development, sick days, and all other needs of our staff.

This year has been a year of many changes. We were fortunate to start the year with the Rev. Brian B. as our part-time minister. He continued to serve our community until May taking on the challenges of recording for our on-line Sunday services with

grace. Donna P. and Justin H. were both on a leave of absence. During their absences, Barry Y. and Allison M. masterfully fulfilled the role of accompanist and John M. worked for two months keeping our church clean for all. Justin returned in February in good health and spirits. Donna returned the beginning of March.

In March, our worlds were turned upside down with the arrival of the COVID virus. Garry F. stepped to the forefront to set-up online services. Many thanks to Garry for all the knowledge, time, and effort he shared with our community to keep us worshipping and connected. Rev. Brian began recording Sunday services from home as did Donna with her music. Justin made adjustments to his cleaning routine to raise the standards to adhere to the COVID sanitation guidelines. Pam was set up to work from home, if necessary, but was able to continue her regular duties in the church office as well as work on some special projects. As we received more information about the virus, Pam set up the foyer of the church so that anyone entering the building would register and sanitize before coming in contact with others. The choir no longer met, due to COVID guidelines. However, Rebecca and Terri have contributed to the Sunday services and helped with the selection of previously recorded music giving us all an opportunity to still hear the voices of our choir.

In May, we welcomed the Rev. Dr. Joseph K. to our church community as our fulltime minister. There were many details to be looked after and introductions to be made. At the beginning of the year, M&P had the role of managing and supervising our staff and employees. As of May 1<sup>st</sup>, Rev. Dr. Joseph became the supervisor of staff and employees for our church. Although Rev. Dr. Joseph has had some experience in supervision of staff, M&P is working closely to train and monitor the ups and downs of the responsibility of supervision. M&P retains the role of the oversight of personnel policies, maintaining the

Employee Handbook, liaising between employees and our treasurers regarding payroll, monitoring leaves of absence, and following employment standards as set out by the province and the United Church of Canada.

A couple of personnel issues came to the forefront mid-year, and M&P has worked closely with Rev Joseph to make positive changes to improve communication and practices. Many thanks to Bob C. who made a lovely new bookcase/cabinet to beautifully store music for our organist/pianist so that it's easily accessible during the in-person church services. In the fall, the Performance Reviews began for employees. All reviews have been completed except for Rev. Dr. Joseph, which will be completed at the end of this first year of employment. Instead of a Staff Appreciation event this year, a combination of chocolates, gift certificates, and notes were delivered to our staff and employees. Many thanks to them all for supporting our community and bringing us joyful moments through this year of changes.

Our work is to collaborate with the Board members to ensure increased visibility and reporting of non-confidential work of our committee and to solicit feedback on the relative priority of the items yet to be done. David continues to be 'on leave' from the M&P Committee and we hope he returns when the timing is right for him. We look forward to 2021 and all the goodness it will bring.

Respectfully submitted,

Peggy Woodruff (Chairperson), Larry and Bruce, (On a leave of absence-David V.)

# ENVELOPE SECRETARY REPORT

At Deer Lake United Church, we have many people with many gifts, who share them generously. In the role of Envelope Secretary, I focus on ensuring donations of monetary gifts are tracked and receipted accurately and confidentially. I thought as this is a different year, I am going to explain how that is done.

We have 89 envelope numbers attached to families or individuals. Each donation is attached to an envelope number. Since March, I have been collecting donations from the church, recording the donations according to where the donation is to go, ie. Local. Outreach etc. and then making the bank deposit. Using envelope numbers only to ensure confidentiality, the donation records are sent to the Treasurers to reconcile the deposit records they receive from the bank with the donation records. The records I keep, then translate into the receipts for income tax purposes that each member receives.

Out of the 89 envelope numbers, 41 families use PAR, Pre-Authorized Remittance, which means a predetermined amount is taken directly from their bank account once a month that goes directly to the Deer Lake bank account. The other 48 families or individuals donate through their envelopes. Those families on PAR also use envelopes to donate to special projects throughout the year. We also have 2 families that have chosen to donate securities through the United Church of Canada Foundation. This is tax advantageous and for further information you are referred to their website: https://unitedchurchfoundation.ca/ways-to-give/gifts-of-securities/

We are most grateful for all the gifts received from those committed to the operations and outreach of Deer Lake United Church and treat each and every donation with great respect.

A huge thank you to those who received, counted and deposited the offering each week from January to March including Becky Armstrong, Michele Cantelo, Bob and Karen Chapman, Mary Cazalet, Garry and Gloria Forwood, Sharon and Gary Hamer, Colleen Keeler, Shirley McGaire, Laurie and Shirley Smith. Your dedication and commitment are much appreciated. With thanks to Cathy Milne, our past treasurer for training me so well, to Mary Cazalet for her on-going help and our new treasurers, Bruce and Susan Cheesman, for their support.

Please contact me at any time if you wish to join the PAR program, require offering envelopes or have any questions. It is an honour and a privilege to serve our God in this ministry.

In love and gratitude,

Kathy Richardson

## COMMUNICATIONS COMMITTEE REPORT

2020 was a pivotal year for Deer Lake United Church – and for the Communications Committee. When the pandemic hit and in-person worship services were banned, we recognized that communication was more important than ever. Garry stepped up to enable Rev. Brian Burke to provide online services via Zoom and YouTube. With the arrival of the Rev. Dr. Joseph Kyser in May and the purchase of A/V and computer equipment, the quality of the online services improved and Garry was able to focus solely on editing the video for the music and scriptures. Joseph assumed responsibility for all other aspects of the services and technology.

When we switched to online services it became apparent how critical our weekly *What's Up* email would be to keep the congregation informed and connected. Linda became the focal point for all things communication. Every week she included links to the upcoming YouTube service and Zoom fellowship time, plus information and links for other upcoming virtual events both in the church and the wider community. She attached the bulletin, hymns and other pertinent documents to

make the online services easier to follow, and included a humorous, entertaining or inspirational item to help lift spirits during the dark days of COVID-19.

While the focus of the weekly *What's Up* email is on upcoming events and short items of immediate importance, our quarterly *Lakeshore Lines* newsletter focuses on documenting past events and communicating medium to long-term plans, strategies and progress reports. As a result, we have slightly tweaked our schedule. Instead of a December issue announcing Advent and Christmas plans, we have moved that issue to January to document the events of those seasons.

We have been blessed with the arrival of a minister who is so well-suited to the current environment. Thank-you, Search Committee! Joseph has certainly made the transition to virtual church much easier. We are thrilled to see how many of our more senior and less-techy members have adopted technology to stay connected with our church community. We are thrilled, too, to have received requests for *What's Up* and *Lakeshore Lines* from several individuals who are not part of our congregation.

As we enter 2021 with the promise of vaccines and lessening isolation, we look forward to another year of change. We wonder what worship will look like later this year as we anticipate reduced restrictions and, ultimately, a return to live worship services. One thing we are certain of is that there will be a lot of communication necessary and a lot to report.

Respectfully submitted,

by the Communications Committee (Garry Forwood, Linda Paddon, Tony Woodruff)

# STEWARDS REPORT

In 2020 the Stewards committee included Bob Chapman, Rick Milne, Bill Paddon, Don Strutt, Geoff Waters, Andrew Hull and Paul Anderson as Chair, with welcome support from Steward Emeritus Arnie Brown.

With the Covid-19 restrictions imposed in March, rental revenue was significantly reduced, with only the Daycare remaining in operation. Unexpected maintenance and repairs included door lock replacement, furnace servicing and wasp nest removal.

Thanks to Rev. Dr. Joseph, Dana, Don and Ellen for their support as tenant liaisons, coordinating hall usage by the AA groups and the short-term rental with Elections BC. Special thanks to Joseph and Andrew for their leadership in making preparations for the planned building renovations and new signage. The new signage and outside bulletin board are well under way.

Thanks to all of those who volunteered their time, talents and treasure to the upkeep of our church, including Rick Milne, Arnie Brown, Bob Chapman, Bill Paddon, Don Strutt, Andrew Hull, and others.

Respectfully submitted,

by Paul Anderson on behalf of the Stewards Committee.

# TRUSTEES REPORT FOR 2020

We are happy to report a good year for the church's investment portfolio. The value of the funds grew from \$429,159 in January to \$489,086 at year end, a return of 14%. We did not need to withdraw any money from the account in 2020 to support church operations.

Since we switched to our current advisor, Connor Clark and Lunn, in May 2018, the fund has grown by \$106,000, or 28%. Most of the growth this year was from the segment in US stocks.

The church is insured, but the premium increased by 30% this year.

We are sad to report that Steve M, has decided to retire as a Trustee of DLUC after 25 years of successful service. Steve is one of those many people who does countless jobs to keep our church in good working order. We thank him for his great service for the past quarter century!

Respectfully submitted,

by Tony Woodruff, Linda Paddon, Bob Chapman, and Rev. Dr. Joseph Kyser

# GOVERNANCE TASK FORCE

One of the recommendations of the Transition Team, as noted in the 2019 Annual Report, was that we need to make some changes to our Governance model. Those changes are needed in order for us to spend less time on the business of the church freeing up more time for spiritual growth and visioning. That work was begun by Rev. Scott Swanson during his time with us.

When we speak of governance, we refer to our Board and Committee Structure, and the policies that support that structure. To that end the Board established a task force to study new models of governance and to bring recommendations to the Board and the Congregation. The Board gave priority to this work and the task force began work in September.

The Governance Task Force (GTF) members are Ellen James, Larry Juba, Steve McLean, Sharon Hamer, Kathy Richardson, Trish Seeram, Terry Lou Baily, and Linda Paddon. It is facilitated by our minister, Rev. Dr. Joseph Kyser. To ensure that each area of congregational work is represented, members were drawn from the following committees: Executive, Ministry and Personnel, Trustees, Christian Education, Finance, Pastoral Care, Worship and Communication.

We held our first meeting on Sept 21<sup>st</sup> and established a timeline from 2018 and we expect it will extend into 2022. We began meeting bi-weekly and are now meeting weekly in order expedite this work. Although it may take a year to get to a new structure, we are considering small changes that can be made in the short term.

We reviewed the structure and policies of several successful United Churches; studied the Deer Lake policies and the United Church manual. We are currently doing a book study on a book by Dan Hotchkiss, "Governance and Ministry Rethinking Board Leadership" which was highly recommended. Copies have been made available in the church office for anyone who wishes to read it. It is important for congregation members to be engaged in this process. To that end we are using direct conversation, emails, Lakeshore Lines and What's Up to include as many people as possible.

It is rewarding to be following through on work started in 2017. Each of us feels extremely fortunate to be collaborating within this diverse, thoughtful group on the task force. We appreciate the trust you have placed in our group, to discern thoughtfully and make recommendations that best meet the needs of our entire Deer Lake body. We are all fully aware of the significance of this important work always keeping God at the centre. We appreciate Joseph's energy, enthusiasm, and farsightedness as we navigate these waters. He ensures that we give priority to our ministries of spiritual growth, pastoral care, and outreach while he keeps Deer Lake's vision in front of us.

Please keep us in your prayers as we ask for God's guidance as we move forward.

Respectfully submitted,

by Trish Seeram on behalf of the Governance Task

### DEER LAKE UNITED CHURCH FINANCE REPORT 2020

#### Overview

2020 was an extraordinary year where the world experienced a pandemic that adversely affected our Church. During this challenging time, the United Church's number one priority was safety. The safety measures meant the closure of in-person worship and a shift to online worship. The Church "closed" in Mid-March but with regard to our financial performance in 2020, our results demonstrate the strength of our congregation. We ended the year with a Net Surplus from Operations of \$40,312.

### **Revenue from Local Operations**

Though our members are very giving and generous, the closure of the Church meant no weekly offering plate and thus, a small reduction in Loose and Sunday School offerings. We are fortunate that approximately 80% of Offerings are by PAR and were unaffected by Covid. During 2020 we added Canada Helps as another form of giving. We were fortunate to have one fundraiser in February but were not able to organize any other due to the pandemic. Overall, 2020 revenue from local operations decreased \$2,141 over 2019.

### **Rental Income**

Another impact due to the pandemic and the closure of the Church was the loss of rental income. We had three (3) renters who were considered essential and continued to operate under the government guidelines and paid their rent. However, five (5) of our renters were deemed non-essential and were not operating and not paying rent. The Church received \$4,200 from Elections Canada for the rental of our facilities. Overall, 2020 revenue from rental income decreased \$17,828 over 2019.

### **Grants and Personnel**

During all of 2020 we continued to employ all our employees. This was partly due to the federal government's pandemic initiatives. The two subsidies that we qualified for and applied for were the 10% Temporary Wage Subsidy for Employers (TWSE) and the Canada Emergency Wage Subsidy (CEWS). The total amount received from both TWSE and CEWS in 2020 was \$38,108. Overall, 2020 Personnel expenses increased \$5,210 over 2019.

### **Operating Expenses**

Changes in Operating expenses included an increase in Bank Charges/ PAR Charges due to adding Canada Helps donation option that came with a small fee for managing donations and issuing tax receipts. 2020 also saw the purchase of computers for the Minister, the Administrative Assistant and the Treasurer. Overall, 2020 Operation expenses increased \$5,629 over 2019.

### **Program Expenses**

The increase/changes in Program expenses in 2020 were due to Zoom subscription, Speaker fee for Let's Talk series, additional postage, additional domain name costs for change, purchase of Keepersecurity and Power Church software. However, these expenses were offset with decrease in expenses due to the Church closure and programs limited (Sunday school, social events). Overall, 2020 Program expenses increased \$418 over 2019.

### DEER LAKE UNITED CHURCH FINANCE REPORT 2020

### **Net Surplus from Operations**

Overall, the 2020 Net Surplus from Operations was \$40,312, which is \$5,453 more than the 2019 surplus of \$34,859. However, if we remove the federal government grants of \$38,108, the 2020 net surplus decreases to \$2,204. This means that our Church was financially stable throughout 2020 without the federal government grants.

### **Future Outlook**

Uncertainty remains high as the Covid-19 pandemic continues and our Church remains closed with no foreseen time when we may return to normal operations. However, the extent to which the pandemic will impact 2021 financial results is difficult to predict. More importantly, our future financial health is impacted by the trend of declining offerings and membership over the last few years. The Dec 31, 2021 Budgeted Net Deficit from Operations is (\$45,954).

The 2021 Budget was prepared with the following assumptions:

- Due to Covid-19 we have assumed that the Church will remain closed for all of 2021 and services will continue to be online.

- Rental income is decreased, also due to Covid-19, and is based on only the three essential services operating and paying rent.

- Federal Government Wage Subsidies (CEWS) has not been budgeted due to the uncertainty of the program.

- All employee wages were increased by the annual cost of living increase of 2.2%.

The budget has been prepared using the best available information with the input from the Minister and the Committees.

DEER LAKE UNITED CHURCH 2020 Treasurer's Report

We have prepared the Financial Statements of Deer Lake United Church which comprise the Balance sheet as of December 31, 2020, and the Income Statement and the Statement of Cash Flows for the year then ended, and Notes to the Financial Statements.

We have prepared the Budget for December 31, 2021 for Deer Lake United Church.

Respectfully submitted by Bruce and Susan Cheesman on behalf of the Finance Committee (Mary Cazalat, Cathy Milne, Kathy Richardson, Tony Woodruff)

LIGHTING THE CANDLES

<u>INTROIT</u>

GOD MOMENTS

<u>GATHERING PRAYER</u> - written by Sunday School children

Loving God, today we gather as a community, to remember the past and to look ahead to the future. Help us to better understand the ancient words you gave us with a youthful mind that is open to learning and acceptance. Help us to accept other people for who they are as a whole rather than seeing their differences as flaws. Help us to remember that because we are different, our world is more interesting. With youthful eyes we look ahead knowing that you are always with us. Amen

HYMN: "We Have Come at Christ's Own Bidding"
